

Model A

Hygiene protection with hatch
for PENTA-LOOP® exhibition counter
consisting of 1 front surface, 2 feet

Front: W: 70 cm x H: 82 cm

Pass-through: 24 cm x height: 8 cm

Feet: H: 14 cm, distance to each other 59 cm
made of clear acrylic, 5 mm thick, all edges smooth

Can be formed into a stable unit without tools
Assemble or disassemble as often as you like.
The feet grip the upper table top on both sides
and thus prevent slipping.
